Garden Building Range & Services

Addison Buildings and Ousebank Windows have joined forces and recently moved to a larger display centre in Oakley just outside Bedford.

With the combining of over 50 years worth of skills, knowledge and customer service Addi-

son Ousebank are set to continue supplying the best garden buildings money can buy.

What we can do for you.

Addison Ousebank offer a full range of buildings including;

Robinson, Alton & Elite Greenhouses, Home Offices, Garden Rooms by Regency, Sectional Buildings including Garages, Sheds & Workshops, Timber Workshops, Sheds, Playhouses, Summerhouses, Log Cabins, Aviaries, Kennels, Log/Coal stores, Roofline Replacement, P.V.C.u or Timber Windows, Doors & Conservatories.

Why purchase from Addison Ousebank?

Addison Ousebank will listen to your requirements and give you impartial advice on the design and size of building that would best suit your needs.

Installation and any base works can be carried out by our 'in-house' building team. Power points, lighting and heating can also be installed into your building, giving all year round use.

We can offer a free site visit to cover any concerns you may have regarding any planning permission for your building, the suitability of ground conditions, base requirements and to also offer advice on the size of building to suit your garden.

We also stock a wide range of greenhouse accessories and Eco-friendly timber treatments. Accessories range from staging right through to spare door wheels, nuts & bolts.

You will find that all our buildings are made to last, many of which come with a 10 year guarantee, to provide peace of mind for years to come.

All our staff have many years experience and will be able to answer any questions you may have. Our 'in house' building team can provide any base works you may require for your new building as well as full installation. So all you need to do is sit back, relax and watch it all happen.

A glass cutting service is also available for replacement horticultural greenhouse glass. Please phone through first with your requirements before your visit so we can make sure an experienced member of staff is available.

All our customers purchases are logged onto our computers, so at any time if you require accessories, treatments, replacement parts or have a service issue we have all your purchase information to hand.

For directions on how to find us, please see back of leaflet.
